

# Baaske BF01 medical keyboard

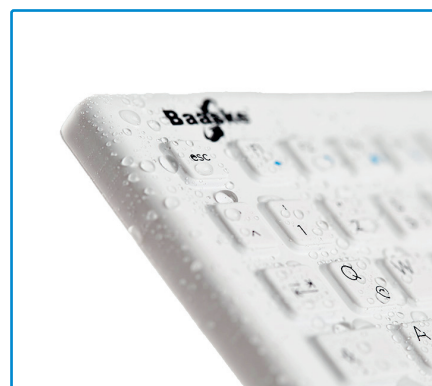

## Baaske BF01 keyboard

**The Baaske BF01 keyboard DE in white is a full sealed wireless silicone keyboard (IP67) with 2.4 GHz radio technology.** The full sealed and flat surface makes the hygienic keyboard easy to clean and at the same time gives the feel of a modern laptop keyboard. Thanks to the 'ON/OFF' function, the keys can be locked for easy cleaning. In addition, the Baaske BF01 keyboard enables a working distance of 10 meters thanks to its radio technology.

### Benefits:

- Hygiene keyboard
- Full sealed (IP67)
- Easy to clean
- Range: 10 m
- USB receiver
- 2.4 GHz radio technologie

Baaske BF01 keyboard,  
for sensitive areas where  
hygiene is a must.
